### Variable Rate Information: Your APRs will vary with the market based on the Prime Rate. The Prime Rate is as reported in The Wall Street Journal on the first Tuesday of every month or if The Wall Street Journal is not published on that day, on the next publication day. APRs are adjusted monthly for Billing Cycles ending on or after the date of the Prime Rate change. If the Prime Rate increases the Daily Periodic Rate and corresponding Annual Percentage Rate may increase. As a result, the Interest Charges, the Minimum Payment Due and the number of payments may also increase. Your Purchase APR will equal the Prime Rate plus a margin of 15.99% and your Cash Advance APR will equal the Prime Rate plus a margin of 20.99%. The applicable Daily Periodic Rate will be equal to 1/365 of the applicable APR. The APRs shown in the table above are as of August 1, 2023. We may change APRs, fees and other Account terms in the future as provided under the Cardholder Agreement and applicable law.

### Security Interest.

As a condition to approving an Account for you, you must maintain a deposit with us of not less than $100 (the “Deposit”). Your Deposit will be held in a commingled non-interest-bearing deposit account with other customers’ deposits ("Deposit Account"). The Deposit Account is insured by the Federal Deposit Insurance Corporation to the extent permitted by law. You grant us a security interest in and pledge to us that portion of the Deposit Account represented by your Deposit, including any funds deposited following the Effective Date of your Cardholder Agreement, to secure payment of all of your existing and future obligations under your Cardholder Agreement and on your Account (the “Security Interest”). Except for the Security Interest you are providing us, you shall cause the Deposit to remain unencumbered (i.e. not subject to any lien, judgment, attachment or execution). You may add funds to the Deposit Account only with our approval. If we approve such addition of funds, they must be mailed to us using a paper check at the address we specify at the time of approval. You are not permitted to initiate electronic transfers to or from the Deposit Account. You may not withdraw or transfer funds from the Deposit Account other than by our refund to you of any amounts remaining of your Deposit after your Account is closed and each of the following have occurred: (i) all amounts owed to us on your Account or otherwise owed under your Cardholder Agreement are paid in full, (ii) we receive from you all unexpired Cards, cut in half and (iii) a period of up to 2 months has elapsed since your Account was closed and your unexpired Cards returned to us, during which we may retain any amounts remaining of your Deposit to allow for any outstanding transactions to be posted to your Account. If you do not close your Account for any reason, or you are in Default (as provided in your Cardholder Agreement), you authorize us, to the extent not prohibited by law, to apply all or any part of your funds in the Deposit Account towards the outstanding balance of your Account and any other amounts owed under your Cardholder Agreement without giving you prior notice. If we choose not to, or otherwise fail to apply your funds in the Deposit Account towards amounts owed on the Account or otherwise owed under your Cardholder Agreement, you agree that: (a) we do not thereby waive any right we have to do so at any later time, and to the extent not prohibited by law we may so apply such funds at any time, in our sole discretion; and (b) you are not thereby excused from the performance of any obligation owing with respect to the Account or otherwise under your Cardholder Agreement. However, if the Account is closed by you or by us for any reason, and we fail to apply your funds in the Deposit Account towards amounts owed on the Account or otherwise owed under your Cardholder Agreement, you may request in writing that we apply your funds in the Deposit Account towards such amounts. We will honor any such written request within 10 days after we receive it at PO Box 9053, Johnson City, TN 37615-9053. If the amount of your funds in the Deposit Account exceeds the amount you owe us, then, we will refund to you any amount of your Deposit remaining in the Deposit Account after all obligations owed to us are satisfied subject to the time period restrictions described above. Except for your Deposit in the Deposit Account, we do not have a security interest in any other of your property in connection with your Account. Funds in the Deposit Account are not held in trust for the Cardholder.

### Credit Limit and Available Credit

The maximum permitted outstanding balance for your Account (including principal, accrued Interest and fees, whether billed or unbilled) is your credit limit ("Credit Limit"). Your credit available ("Available Credit") is the Credit Limit less your outstanding balance and any amounts we at our sole discretion may add to keep your outstanding balance below your Credit Limit. If we do not approve your Account, we will refund any payment we receive from you to fund your security Deposit that is not dishonored by your financial institution.)
your Credit Limit, such as Interest Charges and Fees incurred but not yet billed. The initial Credit Limit for your Account will be equal to the amount of the Deposit that you make with us, which must be at least $100 (see “Security Interest” above). However, if approved, you may deposit more than $100 your initial deposit and corresponding Credit Limit must be at least $170 and may not exceed $2,000. Your initially available credit will be equal to your initial Credit Limit, less the $25 initial Annual Fee imposed after your Account is opened. For example, if your initial Credit Limit is $100, your initially available credit would be $75. (The renewal Annual Fee, when imposed annually thereafter, will also reduce your then available credit by $25.) Your Credit Limit may be increased only once per year if 1) you have made the minimum monthly payment due at least once during the prior year and 2) you cooperate in increasing the increase and taking responsibility for repayment of the increase. If we approve your request to do so, your Credit Limit and Available Credit may be increased by making an additional deposit with good funds to your Account, by mailing them to us at the address identified on your Account, or in the manner approved by us. This additional deposit will increase your Credit Limit and, without requiring you to add to the Deposit Account. Any increases in your Credit Limit are subject to credit approval. The maximum Credit Limit you can obtain over time is $2,000. Payments you make on your Account will not increase your Available Credit until we are assured that the payment has not been dishonored. This payment hold may take up to ten (10) days.

To qualify for an Account, you understand that:

• You must be at least 18 years of age (19 in Alabama and Nebraska) and have a valid social security number, unless otherwise stated.

• You must be a resident of a U.S. state.

• You may be ineligible if you have responded to a previous offer for a credit card issued by us within the last 30 days or if you have been approved for a previous credit card offer from us.

We maintain the right not to open your account if: a) the information provided as part of your application is incomplete, inaccurate, or cannot be verified, b) your security deposit is not received or is returned, or c) you do not meet our standards for opening an account.

Your Account may be used only for personal, family or household purposes. Your Account may be used only for valid and lawful purposes. If you use, or allow someone else to use, your Card and Account for any other purpose, you will be responsible for such use and may be required to reimburse us for all amounts or expenses we pay as a result of such use. You may not use the Card or Account for any illegal transaction or any gambling transaction. We will decline identifiable gambling transactions.

These Important Disclosures, and the Cardholder Agreement and Deposit Agreement, will be governed by Georgia law and applicable federal law.

Paying Interest. Interest accrues on Purchases beginning on the date a Purchase is posted to your Account. However, interest will not be imposed on Purchases we post to your Account in any Billing Cycle in which the Previous Balance shown on your Billing Statement for that Billing Cycle is zero or paid in full by the Payment Due Date during that Billing Cycle, if you pay your New Balance in full before the Payment Due Date shown on your Billing Statement. Interest accrues on Purchases beginning on the transaction date. There is no time in which you can pay the balance of a Cash Advance to avoid Interest.

Minimum Interest Charge. If your Account is subject to an Interest charge during any Billing Cycle, the Minimum Interest Charge will be $1.50, if the calculated Interest charge would otherwise be less.

How We Compute the Balance Subject to Interest Rate. Interest for a Billing Cycle is calculated separately for Purchases and Cash Advances. Convenience Checks are included in the Cash Advance balance. For each balance type we use the daily balance method (including current transactions). For each balance type, we figure the interest charge on your account by applying the applicable Daily Interest Rate to the average daily balance of your account each day in the Billing Cycle. To get the “daily balance” for Purchases, we take the beginning Purchases balance of your account each day (including any unpaid Interest, Minimum Interest Charges and Fees), add any new Purchases and Fees, and any Interest accrued on the previous day’s balance. For Cash Advances, we take the beginning Cash Advances balance of your account each day (including any unpaid Interest and Fees), add any new Cash Advances and Fees, and any Interest accrued on the previous day’s balance, and subtract the applicable portion of any new purchases or returns. “Daily Interest Rate” means a rate per day that when applied to the average daily balance for a Billing Cycle equals the Annual Percentage Rate for that Billing Cycle. The “Average Daily Balance” is the sum of the daily balances for cash advances and for purchase transactions each day during the Billing Cycle. The Annual Percentage Rate for each Billing Cycle is the average of the daily balances during the Billing Cycle. The “Daily Balance for Cash Advances” is the sum of the daily balances for cash advances each day during each Billing Cycle. The “Daily Balance for Purchases” is the sum of the daily balances for purchase transactions each day during each Billing Cycle. The “Annual Percentage Rate” is the yearly rate used to compute the Minimum Interest Charge.

Your Account will be assessed an Annual Fee of $25.00 after your Account has been opened for one year, and $35.00 annually thereafter. To the extent not prohibited by law, the Annual Fee is non-refundable except if we close your Account for a reason other than at your request and other than for your Default, in which case you will be entitled to a pro-rata refund of the portion of your Annual Fee which corresponds to the remaining portion of the annual period for which the Annual Fee was imposed. Your payment of the Annual Fee does not affect our right to close your Account or to limit your ability to make transactions on your Account.

Late Payment Fee. If we do not receive at least the Minimum Payment Due by the Payment Due Date shown on your Billing Statement, you will be charged a Late Payment Fee of up to $30.00 and up to $41.00 (if you have been subject to a Late Payment Fee during any of the preceding six Billing Cycles). We may also refer to this Fee as the “late fee” or “late charge.”

Returned Payment Fee. If your payment by check or other payment instrument (including an electronic funds transfer or a telephone authorized draft) is not honored for any reason or cannot be processed, we will charge a Returned Payment Fee of up to $30.00.

Billing Statement Copy Fee. If you request an additional copy of a Billing Statement that is more than six (6) months old, we will charge you a Billing Statement Copy Fee of $1.00 per statement.
affecting your application or status as a cardholder if a credit card is issued.

USA PATRIOT Act. To help the government fight the funding of terrorism and money laundering activity, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an Account.
